

## Biography

### Dustin Hostetler

---

Dustin Hostetler is a business consultant and Lean Six Sigma Master Black Belt for Lean CPA, LLC, a division of Rea & Associates, Inc., a top 100 accounting and business consulting firm with offices in Ohio. He helps clients implement lean and six sigma concepts in their office and service functions. Industries where he's applied his talents include: manufacturing, retail, food service and professional services. In addition, he is a pioneer in helping accounting firms apply lean concepts to their unique functions like tax return and payroll preparation, pension administration, bookkeeping and auditing.

He holds a bachelor's degree in finance from The Ohio State University, graduating magna cum laude. He also received both his Black Belt and Master Black Belt certificates from Kent State University.
